\*Mandatory

**Procedure**

Care must be taken when installing this accessory to ensure damage does not occur to the vehicle. The installation of this accessory should follow approved guidelines to ensure a quality installation.

These guidelines can be found in the "Accessory Installation Practices" document.

This document covers such items as:-

- Vehicle Protection (use of covers and blankets, cleaning chemicals, etc.).
- Safety (eye protection, rechecking torque procedure, etc.).
- Vehicle Disassembly/Reassembly (panel removal, part storage, etc.).
- Electrical Component Disassembly/Reassembly (battery disconnection, connector removal, etc.).

Please see your Toyota dealer for a copy of this document.

Fig. 1-1

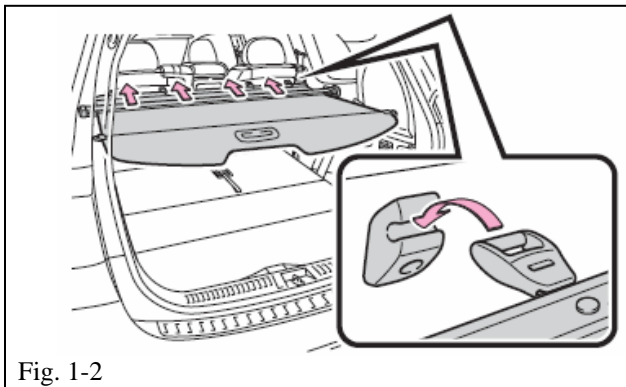

Fig. 1-2

Fig. 1-3

**1. Installation of Cargo Cover**

(a) Open vehicle rear cargo door and locate the Cargo Cover mounting points on the passenger side of the cargo compartment. (Fig. 1-1)

(b) Place right end of cargo cover into the mounting point while keeping hold of the right side. Then raise the left side and place the left end into the driver's side mounting point.

(c) Install the hang hooks on the hook brackets on the seat back. (Fig. 1-2)

(d) Pull out the cargo cover and engage both ends in hook area to secure it. (Fig. 1-3)

(e) Place the instructions in the vehicle's glove box.

**NOTE: There is no in vehicle storage for the cargo cover.**

Checklist - these points **MUST** be checked to ensure a quality installation.
